Electronic Travel Authorization

Description of application form fields

Before you submit your application, review it carefully. Make sure it is complete and accurate.

Entering incorrect information could lead to a delay or even a refusal of your eTA application and/or prevent you from boarding your flight.

The guide will help you understand the fields on the application form and how to enter your information. **Be extra careful when entering information for the following:**

Passport number

Passport country of issue
First name and last name

Last name is also known as family name.

First name is also known as given name.

Enter ALL name(s) as they appear on your passport.

Amended name

If your passport includes an amendment to your name(s) in the observations section, enter your name(s) as it appears in that section.

Apostrophes

If your name has an apostrophe, enter it on the form. Example: D’Orsay, O’Neil.

Order of names

Refer to the machine-readable zone on your passport (the portion below your photo and biographic information, sometimes called a “barcode”) to confirm in what order you should enter your names on the application.

If your name is shortened or cut off in this portion of your passport, but the full name is spelled out in the top portion of your passport, enter your name as it appears in the top portion. However, always rely on the bottom portion to determine the order of your name.

Filial relationships

If your passport includes “son of” or “daughter of,” or “bin” or “bint” and your father’s name in the top or bottom portions of your passport, do not enter this text or your father’s name in either of the name fields of the application form.

For example, if your passport indicates Ahmad bin Husain bin Muhammad in one field, please enter the Family Name as Husain and the Given Name as Ahmad.

If your passport indicates a filial relationship with “ibn,” “ben” or “ould wuld,” and your father’s name in the upper or lower portions of the page, please do not enter this or your father’s name in either name field when you are completing the application form.

For example, if your passport indicates Husain Ould Ahmad Ould Muhammad in one field, please enter the Family Name as Ahmad and the Given Name as Husain.

Hyphens

If your name has a hyphen, enter it on the form. Example: Mary-Anne, Smith-Hansen.
Only one name on passport

If you have only one name or if your name appears in only one line on your passport, enter the entire name in the last name field and check the box under the first name field that says: “By checking this box, I affirm that there is no first name indicated on the applicant’s passport”.

Use of mother’s, father’s or ancestor’s name

If the name on your passport includes the name of your mother, father, grandfather or earlier male ancestor in the machine-readable zone on your passport (the portion below your photo and biographic information, sometimes called a “barcode”), enter that spelling of your name on the application form.

Spousal relationships

If your passport shows “épouse de”, “epse” or “ep.” (“spouse of”), “wife of” or “husband of” in the top or bottom portions of your passport, do not enter this or the name of your spouse in either the last name or first name fields of the application form.

Example: if your passport shows Smith EP. Paul Sajan in the family name field, and John William in the given name field, enter Smith in the last name field and John William in the first name field.

Titles, prefixes, degrees, decorations

If your passport shows a title, prefix, suffix, professional or academic qualification, decoration, honour, award, or hereditary status, do not enter this on the application form, unless it is in the machine-readable zone of your passport (the portion below your photo and biographic information, sometimes called a “barcode”).

Characters of non-Roman alphabets

Only characters from the Roman script/alphabet can be entered on the eTA application form. Example: Aa, Bb, Cc and French accents such as é, è, ê, ü.

Your country of nationality is responsible for making your names appears in Roman script on your passport.
